6. Your Discount will be applied from the date that Budget Energy Ltd is registered as your new supplier, or from the date we have agreed, and will continue for 12 months (the "Discount Term"). 10. There are two plan options for your direct debit payment:
 - a. **Fixed Monthly Direct Debit:**
Pay a fixed amount each month by Direct Debit and spread your annual energy costs. Your first direct debit amount includes the following:
 1. Your actual electricity usage during your switchover period, which on average takes two weeks.
 2. The monthly direct debit amount calculated on your historic usage.

Subsequent direct debits will be your calculated monthly amount and reviewed after 6 months.

- b. **Variable Monthly Payment - pay for what you use:**

Pay a variable payment amount each month by Direct Debit, billed on your usage for that month.

Pay your bill each month and ensure your payments are up-to-date and your account should not have excessive credit or arrears.

You need to submit monthly meter reading to us by the 29th of each month and not before the 26th of any month to ensure that your statement/bill is your actual usage, submitting monthly meter reads avoids receiving an estimated bill.

Your plan will be reviewed every six months to ensure it is right for you.

11. If you move house during the Agreement Term, you may continue to avail of these Tariffs for the remainder of the Agreement term for electricity supply at your new address, providing you continue to meet the eligibility criteria as set out in paragraph 1 above.
